

In Honor of Andrea Oppelt

For seven years I enjoyed the privilege of working with Mrs. Andrea Oppelt at Lincoln Elementary in Appleton, Wisconsin. She was a loving wife, mother, friend and dedicated teacher who had a tremendous love and caring for children. Mrs. Oppelt had developed close relationships over the years with her students and their parents. I cherished the professional relationship we conducted on behalf of her first grade (during the years we worked together) children as principal and teacher. Mrs. Oppelt could always be counted on to serve on various school committees to foster the needs of Lincoln Elementary and demonstrate her caring for the community. She was an exemplary educator.

Andrea Oppelt passed away on Thursday, November 4, 2010. I wish to express my deepest sympathies to her husband, Dan, their children, expectant grandchild, her mother, and a host of friends. She will be missed as a devoted teacher in the Appleton Area School District and Lincoln Elementary School Community.
