

Greetings,

My name is Erin Bonnin, and I have been hired as the CREATE Assistant Coordinator. I am a recent graduate of the University of Wisconsin Oshkosh, and possess a Bachelor's Degree in Secondary Education. I am based at CESA 6, and have been working with CREATE since August 16, 2010. I have already begun collaborating with the CREATE Conference Planning Committee, and updating the CREATE website. My anticipatory goals for CREATE are to settle in to my new position and begin to manage our CREATE Wisconsin Twitter account, CREATE website, and newsletter to keep all interested parties informed of the work CREATE is accomplishing in Wisconsin, both professionally and in the community.

My personal interests revolve around all things history. I enjoy reading historical novels, particularly mystery and suspense, as well as select fantasy authors. J.R.R. Tolkien, Agatha Christie, and Elizabeth George are my constant reading companions. I also have a love of animals and good food.
