

Be Extraordinary, Stay Extraordinary

The EXTRAORDINARY
only happens if you
make it!

**Be Extraordinary,
Stay Extraordinary**

Be Extraordinary, Stay Extraordinary

How to Be Extraordinary, Stay Extraordinary

Synergistically combine:

- **Leadership, enthusiasm, passion**
- **Innovative, out-of-the-box, critical thinking**
- **External, objective, independent, unbiased perspective**
- **Holistic approach to problem solving**

You must become a Thought Leader

(A thought leader is a futurist or person who is recognized for innovative ideas and demonstrates the confidence to promote or share those ideas as actionable distilled insights)

The Dream needs to be stronger than the struggle
