

## SOURCES IN ANTI-BIAS/CONFLICT MANAGEMENT

We have divided our materials in Multicultural curriculum into three areas: Intercultural Learning (ICL), Anit-Bias/Conflict Management (ABC), and Selecting Multicultural Materials (SMM). The materials listed below are in the area of Anit-Bias/Conflict Management. They provide information and activities for teachers interested in developing student's self esteem, respect for differences, awareness of bias and prejudice, and skills in working toward being a better person, promoting social justice, and actively working to prevent/resolve conflict.
